

| R | PSPB_NO | STATUS | ENGLISH TITLE | BENEFICIARY | MAIN PARTNER | ADDITIONAL PARTNERS |
|----|---------------|--------------|--|--|---|--|
| 1 | PSPB-002/2010 | reserve list | Reducing smoking behaviour among adolescents by improving parent-child communication | Nofer Institute of Occupational Medicine/ Instytut Medycyny Pracy im prof dra Jerzego Nofera | Institute of Mother and Child/ Instytut Matki i Dziecka | Università della Svizzera Italiana |
| 2 | PSPB-008/2010 | reserve list | Forest cover changes in mountainous regions - drivers, trajectories and implications | Uniwersytet Jagielloński | Swiss Federal Research Institute for Forest, Snow and Landscape Research WSL | |
| 3 | PSPB-039/2010 | reserve list | Plant microRNAs: biogenesis and roles in response to abiotic stress | Adam Mickiewicz University/Uniwersytet im. Adama Mickiewicza | Botanical Institute of the University of Basel | |
| 4 | PSPB-043/2010 | reserve list | Modeling the patterns and processes in natural forest stands of Białowieża National Park | Warsaw University of Life Sciences/Szkoła Główna Gospodarstwa Wiejskiego | Swiss Federal Institute of Technology Zurich | |
| 5 | PSPB-057/2010 | reserve list | Novel therapeutic strategies to target tumor lymphangiogenesis | I Wydział Lekarski z Oddziałem Stomatologicznym Warszawski Uniwersytet Medyczny | Jagiellonian University/ Uniwersytet Jagielloński | Ecole Polytechnique Fédérale de Lausanne |
| 6 | PSPB-070/2010 | reserve list | Design of BTLA inhibitors as new drugs against melanoma | University of Gdańsk | Swiss Institute of Bioinformatics | Ludwig Institute for Cancer Research - Lausanne Branch |
| 7 | PSPB-080/2010 | reserve list | Positive Electrode Materials for Li-ion Batteries for Electric Vehicles Application-LiBEV | AGH University of Science and Technology | Eidgenössische Materialprüfungs- und Forschungsanstalt | |
| 8 | PSPB-107/2010 | reserve list | In situ investigations of next generation electrochemical capacitors | Poznan University of Technology/Politechnika Poznańska | Paul Scherrer Institute | |
| 9 | PSPB-125/2010 | reserve list | New perspectives on intelligent multimedia management with applications in medicine and privacy protecting systems | Częstochowa University of Technology / Politechnika Częstochowska | University of Geneva | |
| 10 | PSPB-135/2010 | reserve list | Evaluation of different forms of black carbon amendment to reduce contaminants bioavailability and toxicity and to improve soil quality and plant production (BCAMEND) | University of Life Sciences in Lublin | Agroscope Reckenholz-Tänikon Research Station ART | |
| 11 | PSPB-146/2010 | reserve list | Carrier-grade delay-aware resource management for wireless multi-hop/mesh networks (CARMNET) | Politechnika Poznańska | Institute of Systems for Informatics and Networking SUPSI - University of Applied Science | |
| 12 | PSPB-162/2010 | reserve list | New Polymeric Materials for Low-Power Light Upconversion in Materials | Uniwersytet im. Adama Mickiewicza | Adolphe Merkle Institute, University of Fribourg | Adolphe Merkle Institute, University of Fribourg |
| 13 | PSPB-163/2010 | reserve list | The role of the 15-lipoxygenase in the pathogenesis of pulmonary fibrosis: a translation research approach towards new therapies in scleroderma lung disease | Medical University of Białystok | Institute of Rheumatology | Center of Experimental Rheumatology |
| 14 | PSPB-189/2010 | reserve list | Novel organic and non-organic materials for photocatalytic and photoelectrolytic water splitting | Instytut Fizyki Polskiej Akademii Nauk | AGH University of Science and Technology, Faculty of Materials Science and Ceramics | Laboratory for Micro- and Nanotechnology, Department Synchrotron Radiation and Nanotechnology, Paul Scherrer Institute |
| 15 | PSPB-191/2010 | reserve list | The impact of environmental influences on the genetic biodiversity of whitefish (Coregonus lavaretus) - an ecologically and economically important component of ichthyofauna in the Masurian lakes | Uniwersytet Warmińsko-Mazurski w Olsztynie | University of Bern | University of Zurich |
| 16 | PSPB-192/2010 | reserve list | Polish - Swiss Ageing Studies: determinants of longevity and health ageing. | International Institute of Molecular and Cell Biology (IIMCB) / Międzynarodowy Instytut Biologii Molekularnej i Komórkowej | Poznan University of Medical Sciences | University of Geneva |
